(i) The applicant previously submitted an application for assistance for that award year;

(ii) The applicant updated and verified the information contained in that application; and

(iii) No change in the information to be updated has taken place since the last update.

(3) If, as a result of a change in the applicant's marital status, the number of family members in the applicant's household, the number of those household members attending postsecondary education institutions, or the applicant's dependency status changes, the applicant shall not update those factors or that status.

(b) If the number of family members in the applicant's household or the number of those household members attending postsecondary educational institutions changes for a reason other than a change in the applicant's marital status, an applicant who is selected for verification shall update the information contained in his or her application regarding those factors so that the information is correct as of the day the applicant verifies the information.

(c) If an applicant has received Federal Pell Grant, ACG, National SMART Grant, campus-based, Federal Stafford Loan, or Federal Direct Stafford/Ford Loan program assistance for an award year, and the applicant subsequently submits another application for assistance under any of those programs for that award year, and the applicant is required to update household size and number attending postsecondary educational institutions on the subsequent application, the institution—

(1) Is required to take that newly updated information into account when awarding for that award year further Federal Pell Grant, ACG, National SMART Grant, or campus-based, assistance or certifying a Federal Stafford Loan application, or originating a Direct Subsidized Loan; and

(2) Is not required to adjust the Federal Pell Grant, ACG, National SMART Grant, or campus-based assistance previously awarded to the applicant for that award year, or any previously certified Federal Stafford Loan application or previously originated Direct Subsidized Loan for that award year, to reflect the newly updated information unless the applicant would otherwise receive an overaward.

(d)(1) Except as provided in paragraphs (a)(3) and (d)(2) of this section, if an applicant's dependency status changes after the applicant applies to have his or her EFC calculated for an award year, the applicant must file a new application for that award year reflecting the applicant's new dependency status regardless of whether the applicant is selected for verification.

(2) If the institution has previously certified a Federal Stafford Loan application for an applicant, the applicant shall not update his or her dependency status on the Federal Stafford Loan application. If the institution has previously originated a Direct Subsidized Loan for a borrower, the school shall not update the borrower's dependence status on the loan origination record.
